Request for Qualifications

Oregon Street Parking Garage Seating

Deadline – Monday, January 7, 2019, 11:30 a.m. Mountain Standard Time

Description

The Chandler Arts Commission is looking for qualified artists or artist teams to create a public art installation that will be incorporated into the design of the new parking garage on Site 6 in downtown Chandler. The project will consist of an artistic seating area to compliment the parking garage that will be constructed as part of the New Square development on the northwest corner of Arizona Avenue and Chicago Street. There are two seating areas, one on the northeast corner that will require 3 benches and one on the southeast corner that will require 2 benches. Each bench should be four feet long and include arms. Creative designs that go beyond these dimensions are encouraged as long as they fill the desired space. Benches may be made out of metal, concrete, or other durable outdoor materials that will withstand the desert environment. The artist fee is up to \$30,000 which will cover all design, materials, fabrication, transport, insurance, and any other artist fees associated with the project. The city will pay for engineering / structural review. Installation costs will be negotiated based on artist design.
